Bare Essentials Dance Project

Bare Essentials Dance Project came into existence to encourage locally based dancers, choreographers and performers to produce and perform their work on an ongoing basis. A bare bones approach has been chosen for this project – low-tech, naturally lit, live music, daytime, etc. – to help keep costs down and to allow the artists to focus on their craft.

Happily, we have received some excellent support in this venture from our sponsors Perspective Data Architecture and Yellow Data Clarity and from Peterborough New Dance. Thank you, thank you, thank you.

Of course we can't thank you, the audience, enough for your support of the dance community by coming out to see us.

Now on with the show...

INVITATION TO SUBMIT NEW MUSIC PROPOSALS

For a (new) new music festival featuring local and touring artists in early February, 2003. Co-sponsored by Artspace and Public Energy (aka Peterborough New Dance). We're looking for groups and individuals to perform original work in a small festival of new and experimental music; music that refuses to "settle in" and constantly reinvents itself through risks and experiments.

Submit a recording and a one page description of who you are and what you do to either: Artspace, 129 Hunter St. W.; or Public Energy (aka Peterborough New Dance), new offices at 374 and a half George St., 2nd fl. Include the address, phone # – and email if possible – of one contact person.

Deadline: Nov. 30, 2002.

For more information contact Jacob Potemski, 748-5916
or jpotemps@trentu.ca

Many thanks to our sponsors...
