## (Sometimes) Wishes Do Come True

*In three parts*

Created and performed by Deb Reynolds

As the song says,

“You can’t always get what you want, but if you try sometimes, you get what you need.”  
And sometimes what you need is what was there all along. The tried, the true, the faithful one.

*Thanks*

The “Supporting Your Art Practice” gang and fearless leader, Ramune; the extended clown family.

## It’s not the thickened midriff that I mind

Creator and co-choreographer O’michael

Co-choreographer Hilary Wear

Performed by Sarah Cronin, Judith Cronin,  
O’michael, Old Men Dancing

Music O’michael, Stevie Wonder, Ray Barker

Costumes Sarah and Judith Cronin, O’michael

The gurgling river flows gently by the crumbling walls of the old factory.

A new life ... a fresh vision... a hope....and a passion to be free of the bad dreams  
and rainy days that have ruined her wardrobe and broken her heals for days... for years! Peace now.

*Thanks*

Hilary Wear, Kirsten Addis, Ray Barker, O.M.D., Bill James, Leigh MacDonald

## Push Pull (Thinking of Hans Hoffman)

Created and performed by Sophia Cooper

Sound composed and played by Sophia Cooper

Backdrop Sophia Cooper

Painting is a contour journey, which implicates one’s body as transient material  
for exploring the rhythms of paint in a dramatic setting. Here, the dancer becomes  
the line and dynamics, which push and pull on the layers of colour and abstraction in visual art.

The body experiences the surface, texture, colour, and all aspects of the process,  
and thus the act of painting becomes the language of dance.

## Nabakov’s Butterflies

Created and performed by Jenn Cole

Musicians Sarah Mckillican and Greg Frankland

This piece is an exploration of nostalgia as a longing for “no place”  
and the experience of fighting to regain memory.

The body circles an elusive series of images from the memory -  
the lightness of butterflies and the weight of mountains.

*Thanks*

Angela Rawlings, Tanya Elchuk, Ihor Junyk, Meagan O’Shea,  
Jen Duncan, Owen Kane and Maralynn Cherry

## Weathering

Choreography Bill James

Performed by OLD MEN DANCING: John Anderson, Jim Angel,  
George Barron, Peter Hewett, David McConkey,  
Brian Nichols, Bob Romerein, Rob Steinman

Music Michael Hermiston

Costumes Melanie McCall

Visual design Harald Glass

James has worked with Old Men Dancing since September 2006.  
This dance was created for the group and takes inspiration from weather forces  
that surround us at the same time as we interpret the climate  
of our bodies and the mutability of our lives.

*Thanks*
