# Directions to Market Hall from the Bus Terminal

When you walk out of the bus terminal turn left and start walking down Simcoe Street towards George Street.

Once you get to George Street, cross the road and turn right.

Cross the road again and walk straight down George Street.

Keep walking straight until you get to Charlotte Street.

Once you get to Charlotte Street, turn left.

Walk straight.

The Market Hall entrance will be on your left once you get to the lamp post.

This is what the main doors will look like once you arrive.

# Main Entrance

This is the main entrance. It is located on Charlotte Street. Once you enter through the doors, you will be in the front foyer where you will find the stairs and elevator.

# Taking the Elevator

Press Floor 2 Button to get to the lobby.

The elevator is straight past the stairs when you come in from the main entrance.

The lobby and theatre are located on the second floor.

When the elevator doors open on the second floor they will open on the opposite side of the elevator from the side that you entered.

# Taking the Stairs

The Stairs lead straight up to the second floor.

Once at the very top, turn right and you will see the doors to the Lobby.

# The Lobby

The Lobby is located on the second floor.

It can be accessed by the stairs and elevator.

As you enter the lobby you can find a ticket stand on the left and a bar on the right side. The washrooms are located straight ahead, opposite the elevators.

During a performance the lobby can be quite busy and noisy while everyone waits to see the show.

# The Washrooms

The washrooms are located on the second floor, off of the lobby.

There are three washrooms. The one on the left is a private wheelchair accessible washroom. The middle restroom has stalls. The washroom on the right has urinals and one stall. You can use any of the washrooms during Public Energy performances, there is no women's or men's room.

# Theatre

There are two entrances to the theatre from the lobby on either side of the washrooms.

There is seating from the floor up to the balcony.

While you are waiting for the show to begin, the theatre may get loud because audiences are allowed to talk before the performance.

# The Quiet Area

If the noise and people begin to be too much for you, there is a designated quiet area where you can go to get away from the crowd.

The quiet area is found off of the lobby, beside the bar.
