

PETERBOROUGH NEW DANCE is an animator of contemporary dance and, under the banner PUBLIC ENERGY, related forms encompassing theatre, new music and interdisciplinary work. Since 1994 we have presented a mainstage series of dance companies and independent choreographers drawn from across Canada, commissioned new work in concert with other Canadian presenters on the CanDance Network, and supported the development of the local dance, theatre and performance community by presenting area artists and arranging specialized classes and workshops. Tax deductible donations can be made on line at [www.canadahelps.org](http://www.canadahelps.org).

Tara Cheyenne Performance is devoted to the creation and dissemination of highly physical, character-driven solo works that uniquely blend movement and text. Over her career Tara has been building a repertoire of dance-theatre solos ranging in theme from film noir movie stars to mermaids to heavy metal.

Artistic Director Tara Cheyenne Friedenberg has been performing, and creating work in Canada, the US and Europe for the past 15 years. Her "deliciously clever solo *bANGER*" (The Globe and Mail) was People's Choice at the 2005 Dancing on the Edge Festival. The full-length version *bANGER: The Power Hour* premiered to sold out houses at The Firehall in September 2006, and then toured to more sold out houses, and was selected to represent Canada at the UK's Lift Festival. The company's latest work *Nick & Juanita* is currently on a six city Canadian tour.

*Nick & Juanita - Livin' in my dreams* is a co-production of The CanDance Network Creation Fund, Dance Victoria, Dancing on the Edge Festival, Live Arts Productions, Now Showing Live Arts, Peterborough New Dance, and supported by the Dance Section of the Canada Council for the Arts, The BC Arts Council, The City of Vancouver, the Province of British Columbia, and The Banff Centre's Production Residency.
